PLAYER PROFILE

Professional footballer developed entirely through the youth academy of **Santos Futebol Clube**, one of Brazil's most traditional women's football clubs.

Primarily a **Centre Forward**, with the ability to play as an **Attacking Midfielder**. A physically strong and technically versatile player, combining good size and strength with quality in the final third.

Key characteristics include **finishing from both short and long range, vision, attacking positioning and physical presence**. Comfortable operating centrally and contributing both

as a goalscoring threat and in the creation of attacking plays.
